Analysis of Comments Received

A list of the issues raised by interested parties and to which we responded in the Issues and Decision Memorandum is provided in the appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>, and to all parties in the Central Records Unit, room B8024 of the main Commerce building. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/>. Changes From the Preliminary Results

Based on our analysis of the comments received, Commerce made certain revisions to the subsidy rate calculations for Ozdemir. The Issues and Decision Memorandum contains descriptions of these revisions.

³ For a complete description of the scope of the order, see Issues and Decision Memorandum at 2-3.

Methodology

Commerce conducted this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we find that there is a subsidy, *i.e.*, a government-provided financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific. For a full description of the methodology underlying Commerce's conclusions, see the Issues and Decision Memorandum.

Final Results of Administrative Review

In accordance with 19 CFR 351.221(b)(5), we determine the following net countervailable subsidy rate for Ozdemir during the period January 1, 2017 through December 31, 2017:

Company	Subsidy rate (percent)
Ozdemir Boru Profil San. Ve Tic. Ltd. Sti.	0.24 (<i>de minimis</i>)

Assessment Rates

Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review, pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.212(b).⁴ Because we calculated a *de minimis* margin for Ozdemir in the final results of this review, we intend to instruct CBP to liquidate the appropriate entries without regard to countervailing duties.

Commerce intends to issue the appropriate assessment instructions to CBP 15 days after the date of publication of the final results of this review.

Cash Deposit Requirement

Pursuant to section 751(a)(2)(C) of the Act, Commerce also intends to instruct CBP to collect cash deposits of estimated countervailing duties at the appropriate rates. For shipments of subject merchandise by Ozdemir entered, or withdrawn from warehouse, for consumption on or after the date of publication of these final results, the cash deposit rate will be zero. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits at the most-recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit requirements, when imposed,

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is rescinding its administrative review of the countervailing duty (CVD) order on cold-rolled steel flat products (CRS flat

products) from Brazil for the period of review (POR) January 1, 2018, through December 31, 2018.

DATES: Applicable December 23, 2019.

FOR FURTHER INFORMATION CONTACT: William Miller, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–3906.

SUPPLEMENTARY INFORMATION:

Background

On September 3, 2019, Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the CVD order on CRS flat products from Brazil for the POR.¹ Commerce received a timely request from the petitioner, United States Steel Corporation, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(b), to conduct an administrative review of this CVD order for seven companies.²

On November 12, 2019, Commerce published in the **Federal Register** a notice of initiation with respect to these companies.³ On November 19, 2019, the petitioner timely withdrew its request for an administrative review for all seven companies.⁴

Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of the notice of initiation of the requested review. The petitioner withdrew its request for review before the 90-day deadline, and no other party requested an administrative review of this order. Therefore, we are rescinding the administrative review of the CVD order on CRS flat products from Brazil covering the period January 1, 2018,

through December 31, 2018, in its entirety.

Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess countervailing duties on all appropriate entries.
