Abstract: The Indian Self-Determination and Education Assistance Act (ISDEAA) authorizes and directs the Bureau of Indian Affairs (BIA) to contract or compact with and fund Indian Tribes and Tribal organizations that choose to take over

the operation of programs, services, functions and activities (PSFAs) that would otherwise be operated by the BIA. These PSFAs include programs such as law enforcement, social services, and tribal priority allocation programs. The contracts and compacts provide the funding that the BIA would have otherwise used for its direct operation of the programs had they not been contracted or compacted by the Tribe, as authorized by 25 U.S.C. 450 *et seq.*

Congressional appropriations are divided among BIA and Tribes and Tribal organizations to pay for both the BIA's direct operation of programs and for the operation of programs by Tribes and Tribal organizations through Self-Determination contracts and compacts. The regulations implementing ISDEAA are at 25 CFR 900.

The data is maintained by BIA's Office of Indian Services, Division of Self-Determination. The burden hours for this continued collection of information are reflected in the Estimated Total Annual Hour Burden in this notice.
